

Agenda - 30-6-2017, IQAC Meeting-I

- 1) Analysis of results of I, III & V semester Examinations and measures for better performance.
- 2) Encouraging teaching staff members to public articles in their respective subject
- 3) Encouraging staff members to conduct ~~on~~ National seminars & ^{to} take part in the seminars conducted by others
- 4) Encouraging teaching staff members to organize guest lectures and give guest lectures for exchange of knowledge
- 5) As a part of extra curricular activities celebrating all days of national importance.

All the members of IQAC met for third time in the month of December to analyse I, III & V ~~se~~ semester results and to chalk out action plan for betterment. As teaching is a continuous learning job the need for publications in the peer review journals is emphasized. (As publications need a lot of reading, writing & learning in the process). Further All the staff members are advised to conduct and take part National Seminars, workshops, guest

lectures as these are great means of knowledge exchange. A decision is also taken to celebrate all days of national importance to awaken the students.

Agenda

It is resolved to conduct an awareness rally on ODF.

It is resolved to conduct a quiz programme on 'Surya vadhana'

It is resolved to health awareness camp.

It is resolved to visit an Orphanage and donate useful things.

In tune with Sunahandvapradeshi mission declared by Gov. of Andhra Pradesh all the staff members unanimously resolved to organise an awareness rally on ODF in the month of January. NSS Unit and Eco club members came with an action plan with a tentative date on 4/1/18. Placards showing slogans against ODF decided to be prepared by 3/1/18. As per the directions of Gov. of A.P. it is resolved to conduct a quiz programme on "Surya vadhana" on 28/1/18. Dept. of Library Science came up with an action plan. A number of participants, questions to be asked and prizes to the winners and so on. And staff members of all other streams resolve to extend their support for smooth conduct of the programme. It is resolved to organise health awareness camp in the first week of January during Janambhumi Maava. It is also decided to invite Sri. Gangadhara Rao, local health officer to create health awareness among the students. Economics department came up with a plan to donate useful things to the orphans of local orphanage.
