

BEST PRACTICES IN MY INSTITUTION

Format of Presentation

1. Title of the practice: **Clean and green Campus**
2. The context that required the initiation of the practice (100 – 120 words)

To keep campus free of pollutions and full of plantation

3. Objectives of the practice (50 – 60 words): to inculcate eco friendly nature among the students. “Clean and green in year 2016-17 to check the unruly behavior of the students and stop them through litter here and there and make the campus unclean. To teach them “Cleanness is next to godliness”. To clear obnoxious weeds and thorny bushes on the ground to encourage the students to turn the campus clean and green with good plantation. To curb the menace of plastics, polythene by replacing them with biodegradable material
4. The Practice (250 – 300 words): the institution intimated clean and green drive to create eco-friendly ambones in the campus. NSS unit and Eco Club of the institution take up this drive with support of staff and students. On every Saturday students from all the programme are formed into groups, voluntary participate in clean campus drive they clean the campus pick and through the litter in the dustbin remove thorny bushes and weed dig garbage pits and dumps with dry leaves and produce composed and use it for plant growing on world environment day on June 5th and world earth day on April 22nd students take up plantation drive “chettu neeru” to turn campus green and pollution free. The institution banned the use of the polythene and replaced it with Eco friendly material it observes no vehicle day once in a month to reduce air pollution. September 16, 2016 i.e on ozone day Department of Telugu organized easy writing computation on global warming to bring awareness among the students. Thus the institution strives to create eco-friendly ambience by all means

5. Obstacles faced if any and strategies adopted to overcome them (150 – 200 words): non participation of green volition of green practices by some students in begging but they are overcome by sensitization and appreciation for good contribution. active participation of the teachers gradually mitigated inhibitions of the students and violation of green practices are prevented through coercive measures like warning and imposing penalties etc
6. Impact of the practice (100 – 120 words): student is sensitized on green practices environmental hazards, campus turned clear and greener and speedy and safe disposal of garbage is made possible. Problem of through in litter here and there is checked. No vehicle day resulted in reduced air pollution and plantation resulted in campus beatification and fresh air circulation
7. Resources required: digging tools are supplied by NSS unit broomsticks are provided by the institutions and plants are supplied by forest department
8. About the Institution

i. Name of the Institution : GDC,Tiruvuru ii. Year of Accreditation :2016, March 17

iii. Address :patha Tiruvuru, Krishna (Dist) iv. Grade awarded by NAAC : B
